<i>No observer nominated</i>			<i>Horticultural</i>	
Totals	12 (10 Elected)		7	6

¹ Trustees may be elected or appointed by certain bodies contained in the governing document.

² The observers in italics may attend and observe the Board of Trustees meetings.

The Trustees are able to co-opt up to 3 people from unrepresented Ashington interests. So we may retain 3 constitutionally. The Constitution does not lay out the roles of co-optees, but they would not have voting rights.
